WORK EXPEREINCE

Test Automation Engineer **Wipro, Sydney** **May 2021 - Present**
- Worked for high-profile clients including Australian Securities Exchange (ASX), Australia Post, Department of Health, and Department of Communites and Justice
- Developed and maintained Java-based automated test scripts using Selenium, JUnit/TestNG, and Cucumber to validate software functionality
- Designed and implemented a robust test automation framework, selecting tools and libraries for efficiency and scalability adhering to Agile software delivery practices
- Utilized RestAssured library and Postman to build API testing framework
- Collaborated with cross-functional teams to design effective test strategies, creating comprehensive test plan
- Integrated test automation with CI/CD pipelines using Bamboo, BitBucket, Jenkins, and GitHub
- Conducted performance and load testing using JMeter to assess application performance under various loads
- Setup and managed test environments and data preparation
- Provided regular updates on test automation progress, coverage, and quality metrics

Web Developer (Contract) **The University of Sydney, Sydney** **Feb 2020 – Apr 2020**
- UI refinements in VirtuPharma's marketplace landing page
- Minor bug fixes

Software Test Engineer **Spark Technology Pty. Ltd., Kathmandu** **Nov 2015 – Jan 2019**
- Performed test automation using Selenium in Java
- Wrote test cases and maintained test scripts as per the business specifications & functional requirements
- Executed automated test suites, promptly reported defects, and provided valuable feedback to the development team
- Effectively managed defects, collaborating with the development team for timely closure
- Stayed updated with the latest testing trends, continuously improving Java and automation skills

EDUCATION

Sydney, NSW **Federation University Australia** **2021**
Master of Technology in Software Engineering. GPA: 6.20

Kathmandu, Nepal **Tribhuvan University** **2016**
Bachelor of Computer Engineering

CERTIFICATIONS AND AWARDS
- **AWS Certified Solutions Architect – Associate** (2021)
- **Microsoft Certified Professional** (2013)**.** Windows Server Administration Fundamentals
- **Institute of Engineering (IoE) Merit Scholarship.** Received 100% scholarship for the duration of study

SKILLS
- API Automation; UI Automation; Mobile App Automation; Performance Testing; Agile; Databases; CI/CD
- Communication; Teamwork; Time Management; Problem-solving; Adaptability

LANGUAGES AND TOOLS
- Java; Python; C++; JUnit; TestNG; Selenium; RestAssured; Appium; Bash scripting; SQL
- Eclipse; JMeter; Postman; WinSCP; Putty; Jenkins; BitBucket; Linux; Jira; Confluence; Bamboo; Docker
